Description

The PORSCHE 912 was completely dismantled and rebuilt from scratch. The interior was also fully restored, with the seats and door panels newly upholstered in genuine vintage buffalo leather! The engine and transmission were overhauled this year by a renowned Porsche classic car specialist. More than 1,500 hours of work were invested, resulting in a fantastic vehicle that drives superbly and handles exceptionally well on the road. The Porsche has been newly registered, is currently being carefully broken in, and will receive another service inspection. A true investment vehicle in like-new condition!
